to me

1:36 PM (1 hour ago)

Thank you for registering with Tableau. We're delighted to have you as part of the Tableau community and hope you'll come back often to benefit from our Forums, Training Videos, User Groups and other resources.

To activate your account, please click on the following url:
https://id.tableau.com/token/752f20463cf9482188ce0decdfef3ae7

For your security, the link above will expire in 48 hours. If necessary, you can request a new link here: https://id.tableau.com/resendActivation

If you did not make this request, simply ignore this email.

To ensure sure you receive future communications, make sure to add "tableau.com" to your safe senders list.

Again, thanks for registering with us.
